Expertise, united.

Bringing invention and expertise together.

Seven specialist brands. A shared ambition to create lasting value for people, properties and the businesses we support.

ABOUT THE GROUP

UFSS brings together specialist businesses across facilities services, technology, hospitality, wellbeing and product innovation. Our shared ambition is professional service, trusted relationships and responsible growth.

OUR INTERNATIONAL PRESENCE

United Kingdom / Brazil / Morocco
India / Bangladesh / China

We connect invention, specialist expertise and different perspectives across borders. Talk to our group team about services and partnerships relevant to your market.

PEOPLE AND PLANET

Our priorities include thoughtful resource use, less avoidable waste, respectful workplaces and honest commercial relationships.

These are commitments and priorities, not independently verified group-wide results.

CAREERS WITH PURPOSE

We welcome expressions of interest across facilities, hospitality, wellbeing, technology and business support.

Areas of work describe our portfolio, rather than currently advertised vacancies.
